## **FREE MOUNTAINEER ON-DEMAND SHUTTLE SERVICE RETURNS FOR 2020-21 WINTER SEASON**

Squaw Alpine Transit Company (SATCo) announced its complimentary Mountaineer on-demand shuttle service provided within the two valleys from December 17, 2020 through April 11, 2021 for its third consecutive winter season.

A Mountaineer fleet of six will operate in Squaw Valley Thursday through Monday from 7 a.m. until 9 p.m., and in Alpine Meadows on Saturdays and Sundays from 8 a.m. until 5 p.m.

Mountaineer passengers and drivers will be required to wear face coverings at all times within the shuttles, and vehicle occupancy will be reduced to adhere to social distancing guidelines. Health and safety protocols are stated online at [SquawAlpineTransit.org/covid-19](https://www.SquawAlpineTransit.org/covid-19).

Despite a reduced vehicle fleet, and with the understanding that average wait times may increase from last year's remarkable numbers, SATCo is still confident that Mountaineer will continue providing passengers with a high level of service.

The [free Mountaineer app](#) will always have the current days and hours of operation throughout the season as the schedule is subject to change due to shifts in demand.
